1. Introduction to Contract Creation

The Contract Creation module provides Cedant users with the facility to create and manage three types of Re-Insurance contracts to cater to respective user requirements:

- **Proportional Treaty**
- **Non-Proportional Treaty**
- **FAC Proportional**

User Rights:

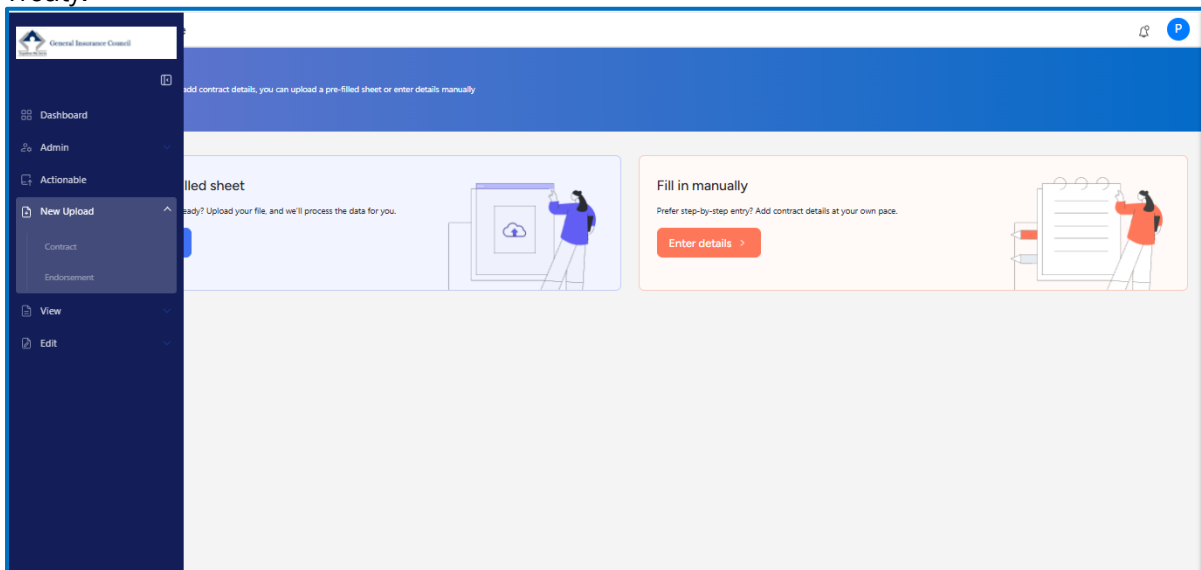

- Cedants have rights to create contracts
- Cedants have rights to edit contracts

1.1. Proportional Treaty

Accessing Contract Creation

1. Navigate to the left menu bar
2. Select **New Upload** → **Contract**
3. Choose "**Fill in manually**" → **Enter Details**

Purpose: This screen allows Cedant users to add new contract for Reinsurer Type – Proportional Treaty.

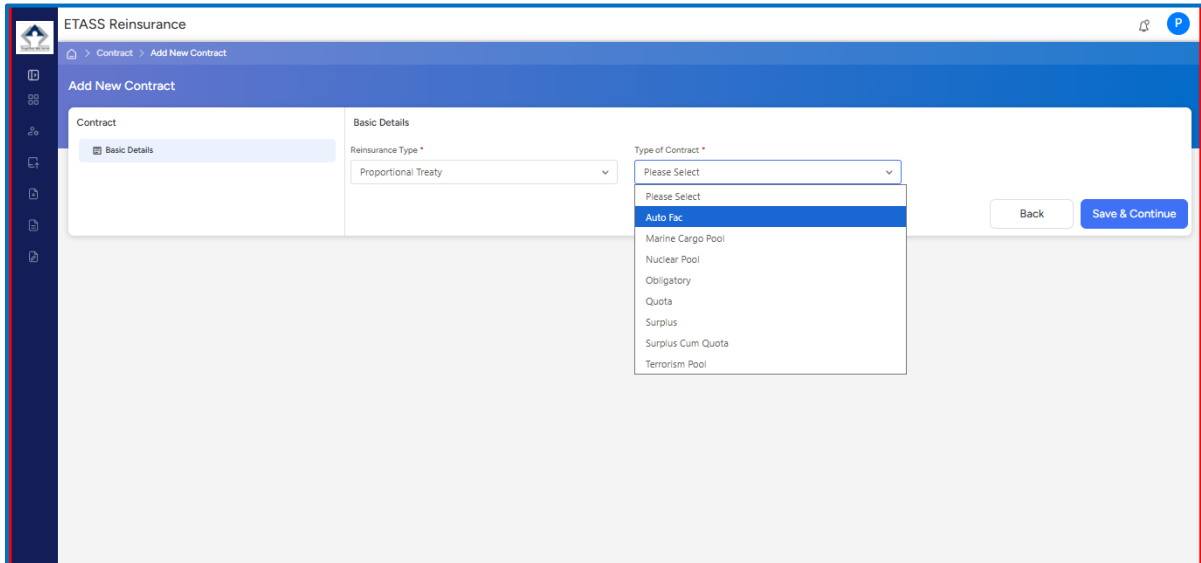

Step 1: Contract Type Selection

1. Select **Reinsurance Type*** → **Proportional Treaty**

2. Select **Type of Contract***

3. Click **Save & Continue**

Step 2: Basic Details

- The 'Add New Contract → Basic Details' page will be displayed
- Enter all relevant details (both mandatory and non-mandatory fields)
- Click **Save & Continue**

Following table has details of the fields:

Field Label	Input Type	Required ?	Description
Reinsurance Type	Dropdown	Yes	Type of contract agreement (e.g., Proportional, Non-proportional); must choose from predefined list
Treaty name	Text field	Yes	Internal reference or formal name of the treaty
Treaty number	Text field	Yes	Alphanumeric; unique
Treaty start date	Date picker	Yes	Start of treaty; must be before end date; future and past dates allowed; validate company's registration period
Treaty end date	Date picker	Yes	End of treaty; must be after start date

Treaty leader name	Text field	Optional	Internal reference or formal name of the treaty leader
Type of contract	Dropdown	Yes	Filter based on Reinsurance type as shown below in scenarios e.g., Quota Share, Surplus, XOL, CAT
Type of sub contract	Text field	Optional	Formal name of Type of sub contract
Cedant name	Text field (read only)	Yes	Pre-filled from logged-in entity's name (e.g., HDFC Ergo)
UW year	Dropdown	Yes	Financial year (e.g., 2024-2025).Fetch from Financial year master.
Treaty based on	Dropdown	Optional	Dropdown options will be Risk attaching based and Loss occurring based
Contract Remarks	Text field	Optional	Will be 100 characters long and on entering characters show remaining characters below textbox

Step 3: Section Details

- The Section details page will be displayed
- Enter all relevant details (mandatory/non-mandatory)
- Click **Save & Continue**

Following table has details of the fields:

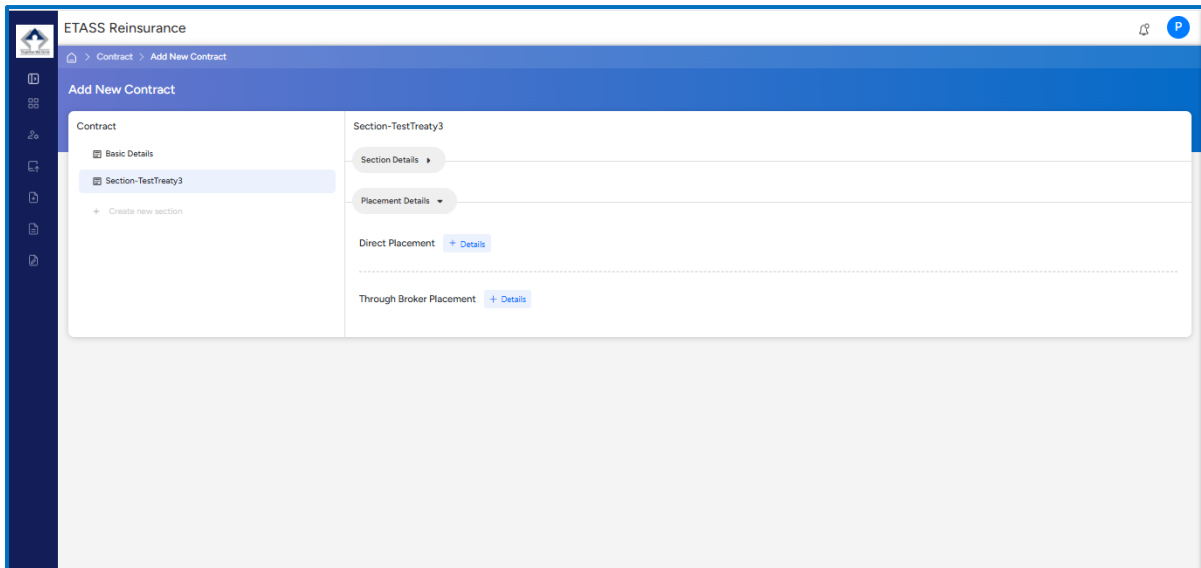

Field Label	Input Type	Required?	Description
Section name	Text field	Yes	Name or identifier for the treaty section (e.g., "Section A") and should be unique
Cedant section reference number	Text field	Yes	Internal ID/reference used by the cedant for this contract and free text
Estimated Premium	Text field	Optional	It will be an optional numeric field with an amount validation field.
Quota Treaty share %	Text field	Optional	It is a percentage input field with percentage validation when the type of contract has been chosen as quota that defines the cedant's share under the quota arrangement, such as 20%.
Net Retention %	Text field	Optional	It will be an optional numeric field with a percentage validation field.
Net Retention Line Amount	Text field	Optional	Net Retention Line Amount is an optional numeric field with an amount validation field.
No. of surplus Line	Text field	Optional	It inputs the number of surplus lines applicable under surplus treaties. This field will be enabled when the type of contract is chosen as surplus
Maximum Treaty Capacity	Text field	Optional	It will be an optional numeric field with an amount validation field.
Class of business	Dropdown	Mandatory	Cedant must select from a multi-select dropdown under Class of Business, choosing relevant segments like Fire, Engineering, or Motor. The dropdown values are coming from the class of business master under lookup master, which GIC only has access to. Selected values should be shown by comma separated.
Contract Currency	Dropdown	Yes	It will be by default selected as INR. If Cedent wants to change, he can change.
SOA Cycle	Dropdown	Yes	The cedent will choose from the dropdown at what frequency the SOA will be shared. The dropdown values are coming from the SOA cycle master under lookup master, which GIC only has access to.
Max Days to Share SOA	Text field	Yes	Cedant will enter the timeline for sharing the Statement of Account after each cycle. It will be a mandatory numeric field.
Number of Days for settlement	Text field	Yes	Time given to reinsurers to make payments after receiving the SOA. It will be a mandatory numeric field.

Claim Notification Limit (Amt)	Text field	Optional	It is an optional field and specifies the minimum claim amount that requires mandatory notification to reinsurers. (Refer to the scenario for enabled and disabled field.)
Claim Recovery Limit (Amt)	Text field	Optional	It is the minimum threshold for claims that can be recovered. It will be an optional numeric field.
Section Remarks	Text field	Optional	The field is optional and provided as a free text area where the cedent can add any additional information, clarifications, or internal notes related to the section. It will allow 100-character length.

The screenshot displays the 'Add New Contract' interface in the ETASS Reinsurance system. The 'Section 1' details are visible, including fields for Section Name, Cedant Section Reference Number, Estimated Premium, Quota Treaty Share %, Net Retention %, Net Retention Line Amount, No. of Surplus Line, Maximum Treaty Capacity, Class of Business, Contract Currency, SOA Cycle, Max Days to Share SOA, Number of Days for Settlement, Claim Notification Limit (Amount), and Claim Recovery Limit (Amount). A Section Remarks field is also present with a 100-character limit. The interface includes a 'Back' button and a 'Save & Continue' button.

Step 4: Placement Details

The Placement Details section offers two placement options:

Direct Placement

- Complete the Direct Placement form with required information

Direct Placement ✕

Reinsurer Code* <input type="text" value="Please Select"/>	Reinsurer Name* <input type="text" value="Please Select"/>	IRDIA Registration Number* <input type="text" value="Please Select"/>	Reinsurer Country Name* <input type="text"/>

Is This a Related Party?

- Direct Placement field details:

Field Label	Input Type	Required?	Description
Reinsurer code	Dropdown	Yes	Cedant will select an existing reinsurer from the dropdown, which was added in the reinsurer code/name/IRDIA registration company master. The reinsurer code/name/IRDIA registration number will be unique, and it will refer to a unique company. While selecting any code/name/IRDIA registration number, if that company is not coming under the treaty's start and
Reinsurer name	Dropdown	Yes	
IRDIA registration number	Dropdown	Yes	

			end date. One pop-up should display to inform the cedent to check once. If the cedant has chosen the reinsurer code, then the reinsurer's name, IRDIA registration number, and reinsurer country should be auto populated.
Reinsurer country name	Auto-filled	Yes	Auto-filled company's name on selection of either Reinsurer Code/name/IRDAI reg.no
Reinsurer share %	Text field	Yes	It's the % of the placement directly placed with this reinsurer. It's the mandatory numeric field with percentage validation.
Commission type	Dropdown	Yes	The cedent will select the type of commission, e.g., flat, profit-sharing, or sliding scale. This is a mandatory dropdown field.
Commission %	Text field	Yes	The cedent will enter the commission % that he gets from the reinsurer for handling the insurance policy. This is a mandatory numeric field with percentage validation.
Contract currency	Dropdown	Yes	Contract currency will be auto-populated according to the selection of contract currency in the section page. This is a mandatory dropdown field.
Settlement currency	Dropdown	Yes	This currency is used for claims/settlements from the reinsurer side. cedent can choose currency from the dropdown. This is a mandatory dropdown field.
Withhold %	Text field	Optional	It's an optional percentage input field to which the cedent can add. It is the part of the commission the reinsurer holds back until conditions are met.
Margin %	Text field	Optional	It's an optional percentage input field to which the cedent can add.
Premium entry %	Text field	Optional	It's an optional percentage input field to which the cedent can add his percentage.
Loss entry %	Text field	Optional	It's an optional percentage input field to which the cedent can add his percentage.
Premium withdrawal %	Text field	Optional	It's an optional percentage input field to which the cedent can add. It usually comes under custom retention values.
Loss withdrawal %	Text field	Optional	It's an optional percentage input field to which the cedent can add. It usually comes under custom retention values.
Commutation date	Date picker	Optional	It's an optional date picker field added by the cedent to specify when liabilities are settled upfront.
PF transfer date	Date picker	Optional	It's an optional date picker field added by the cedent to specify when the premium/fund is transferred.
LPC range	Text field	Optional	It's an optional free input text field in which the cedent can add a range. E.g., 10% - 20%
Profit commission	Text field	Optional	It's an optional free numeric field in which the cedent can add an amount or percentage.
Any Other details	Text field	Optional	It's an optional text area field in which the cedent can add any other details related to the placements. It will allow 250-character length.

Is This a Related Party?	Checkbox	Optional	If it's a related party select the check box
--------------------------	----------	----------	--

Through Broker Placement

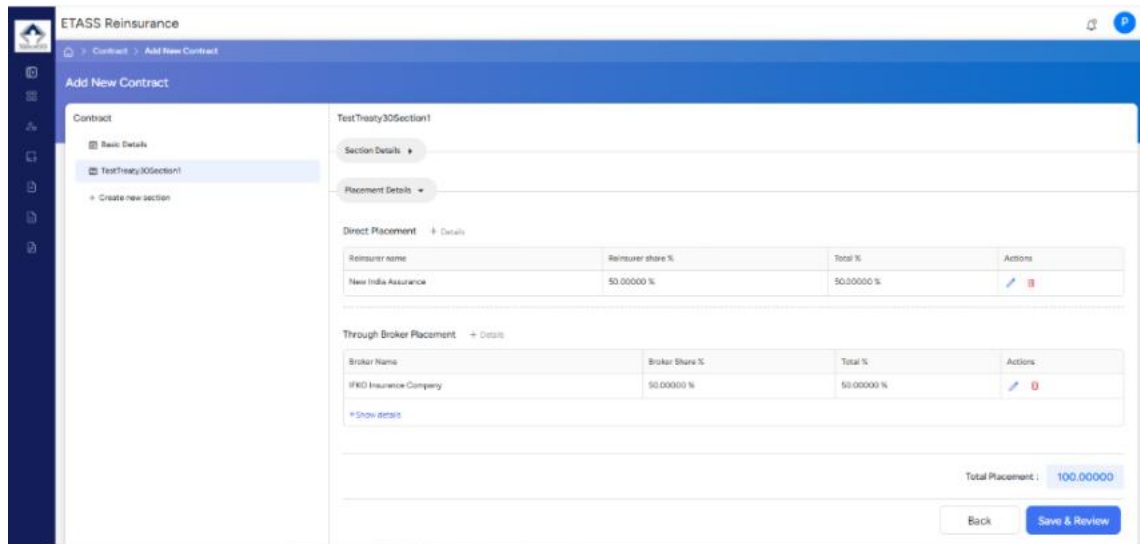

- Add Broker details and click **Save Broker**
- Add reinsurer details for the selected broker
- Check the checkbox to enable Back and Save buttons
- Through Broker Placement field details:

Field	Type	Required?	Description
Broker code/name	Dropdown	Yes	Cedant will select an existing broker code/name from the dropdown, which was added in the company master. The broker's code/name will be unique, and it will refer to a unique company. While selecting any code/name, if that company is not coming under the treaty's start and end date. One pop-up should display to inform the cedant to check once. If the cedant has chosen the broker code, then the broker's name should be auto populated.
Broker share (%)	Text field	Yes	It's the % of the placement that will be assigned to the broker by the cedant. It's the mandatory numeric field with percentage validation.

Field Label	Input Type	Required?	Description
Reinsurer code	Dropdown	Yes	Cedant will select an existing reinsurer from the dropdown, which was added in the reinsurer code/name/IRDIA registration company master. The reinsurer code/name/IRDIA registration number will be unique, and it will refer to a unique company. While selecting any code/name/IRDIA registration number, if that company is not coming under the treaty's start and end date. One pop-up should display to inform the cedant to check once. If the cedant has chosen the reinsurer code, then the reinsurer's name, IRDIA registration number, and reinsurer country should be auto populated.
Reinsurer name	Dropdown	Yes	
IRDIA registration number	Dropdown	Yes	
Reinsurer country name	Auto-filled	Yes	Auto-filled company's name on selection of either Reinsurer Code/name/IRDIA reg.no
Reinsurer share %	Text field	Yes	It's the % of the placement directly placed with this reinsurer. It's the mandatory numeric field with percentage validation.

Loss entry %	Text field	Optional	It's an optional percentage input field to which the cedent can add his percentage.
Premium withdrawal %	Text field	Optional	It's an optional percentage input field to which the cedent can add. It usually comes under custom retention values.
Loss withdrawal %	Text field	Optional	It's an optional percentage input field to which the cedent can add. It usually comes under custom retention values.
Commutation date	Date picker	Optional	It's an optional date picker field added by the cedent to specify when liabilities are settled upfront.
PF transfer date	Date picker	Optional	It's an optional date picker field added by the cedent to specify when the premium/fund is transferred.
LPC range	Text field	Optional	It's an optional free input text field in which the cedent can add a range. E.g., 10% - 20%
Profit commission	Text field	Optional	It's an optional free numeric field in which the cedent can add an amount or percentage.
Any Other details	Text field	Optional	It's an optional text area field in which the cedent can add any other details related to the placements. It will allow 250-character length.
Is This a Related Party ?	Checkbox	Optional	If it's a related party select the check box

- Add Broker details and click on Save Broker
- Add reinsurer details for the above broker checkbox and Back and Save buttons should be enabled
- Click on checkbox and following page is displayed to add Reinsurer details and click on Save Reinsurer button. Save button will be enabled.
- After clicking on Save, Placement Details should be displayed as follows:

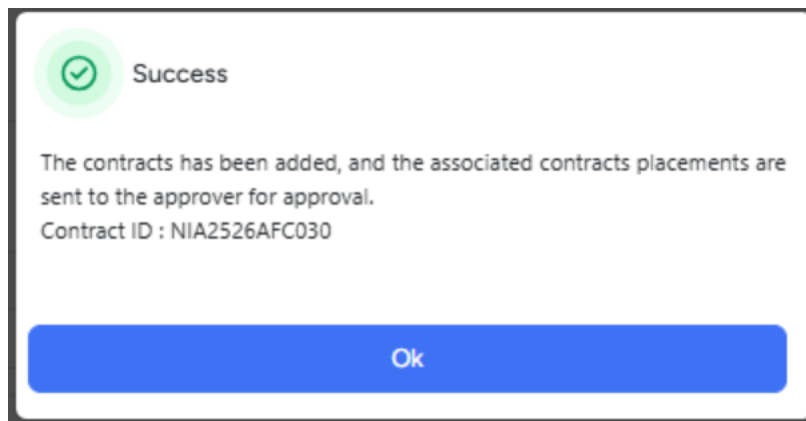

Step 5: Review & Confirm:

- Click on Save & Review
- Review & Confirm page should be displayed
- User can Save as Draft, following window is displayed

- Or can click on Submit Contract, following window is displayed along with Contract ID:

- After clicking on Ok, user is navigated to View Contract list

Available Actions:

- **Contract Selection:** Users can select any contract for creation.
- **Add Basic Details:** Add fields in Basic Details section as per the table above.
- **Add Section Details:** Add fields in Section Details as per the table above.
- **Add Placement Details:** Add Direct and Through Broker Placement details.
- **Review & Confirm:** User can review the details and edit if required
- **Save as Draft:** User can save the contract as a draft for future purpose
- **Submit Contract:** User can submit the contract and contract ID – CID will be generated

1.2. Non-Proportional Treaty

Accessing Contract Creation

1. Navigate to the left menu bar
2. Select **New Upload** → **Contract**
3. Choose "Fill in manually" → **Enter Details**

Step 1: Contract Type Selection

1. Select **Reinsurance Type*** → **Non-Proportional Treaty**
2. Select **Type of Contract***
3. Click **Save & Continue**

The screenshot shows the 'ETASS Reinsurance' interface for 'Add New Contract'. The 'Basic Details' section is highlighted. The 'Reinsurance Type*' dropdown is set to 'Non Proportional Treaty'. The 'Type of Contract*' dropdown is open, showing options: 'Please Select', 'Cat Xol', 'Risk Cum Cat Xol', 'Risk Xol', 'Stop Loss', and 'Terrorism Retro'. The 'Save & Continue' button is highlighted in blue.

Step 2: Basic Details

1. The 'Add New Contract → Basic Details' page will be displayed
2. Enter all relevant details (mandatory/non-mandatory)
3. Click **Save & Continue**

3. Contract Viewing

Contract List Overview

The Contract List provides users with comprehensive search and view capabilities for contract data.

Features

Search Capabilities:

- Search by Contract ID
- Search by Contract Name
- Search by Start Date
- Search by End Date

Filter Options:

- Contract ID
- Company Code
- Company Name
- Contract Type

Actions:

- Export contract data using export button
- Use inline search and filters
- Click Contract ID (link) to view detailed contract information

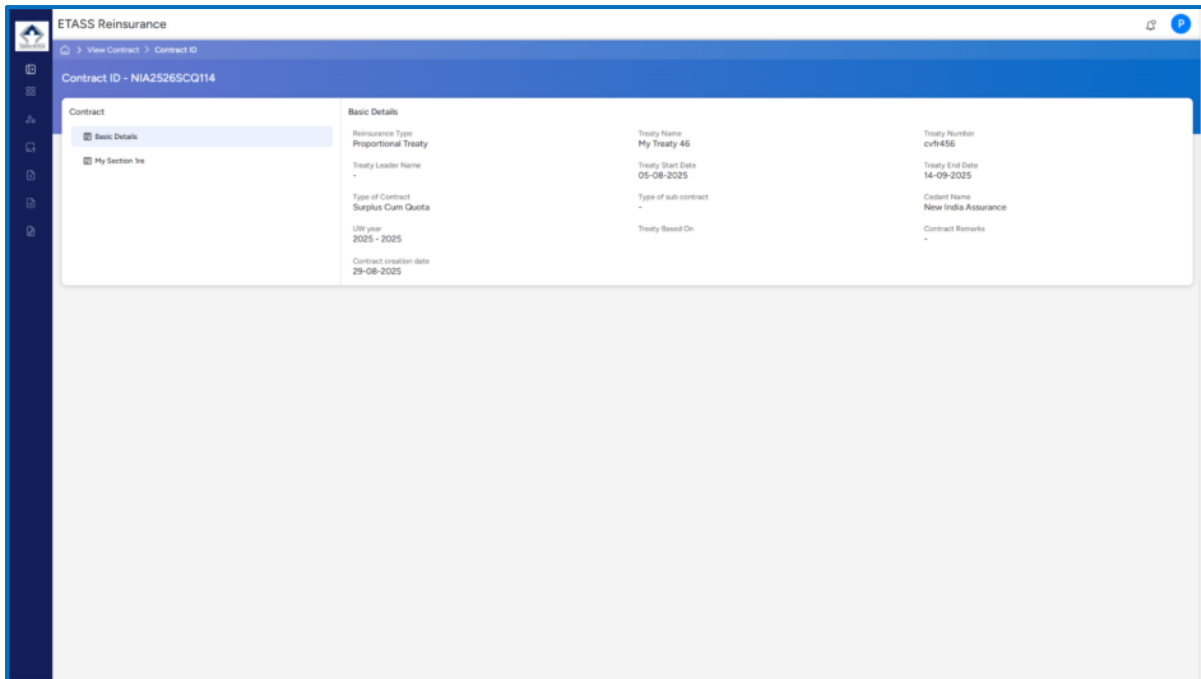

The screenshot shows the 'View contracts list' interface in ETASS Reinsurance. It features a table with the following columns: Contract ID, Company name, Company code, Contract name, Contract type, Created On, Start date, End date, and Status. The table contains 10 rows of contract data. At the top right, there is a search bar and an 'Export data' button. At the bottom, it indicates 'Showing 1 to 10 of 3,397 contracts' and includes a pagination control showing page 1 of 340.

Key Features

- Search contracts using CPID, Contract ID, Company Name, Company Code, Contract Type, Contract Name, Start Date, and End Date
- Export contract data using the export action button
- Use inline search and filters (Contract ID, Company Code, Company Name, Contract Type)
- Click on Contract ID link to view detailed contract information

Contract Types

6.1.1. Proportional Treaty Contracts

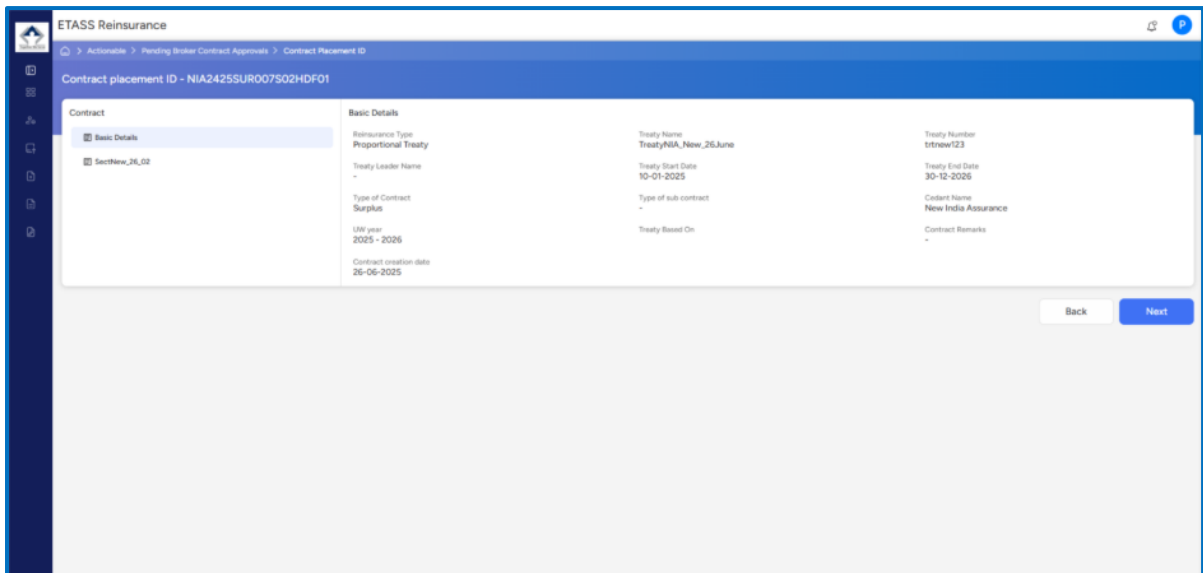

Navigations:

- Basic Details: This shows the basic information of the contract on the screen
- Section Details: There can be multiple sections for one contract. We can toggle between them with the help of this link.

- Back: It takes user back to the View Contract Pending for Approval Screen
- Next: It takes the user to the next section and section details are shown in the right pane as shown in following screen shots.

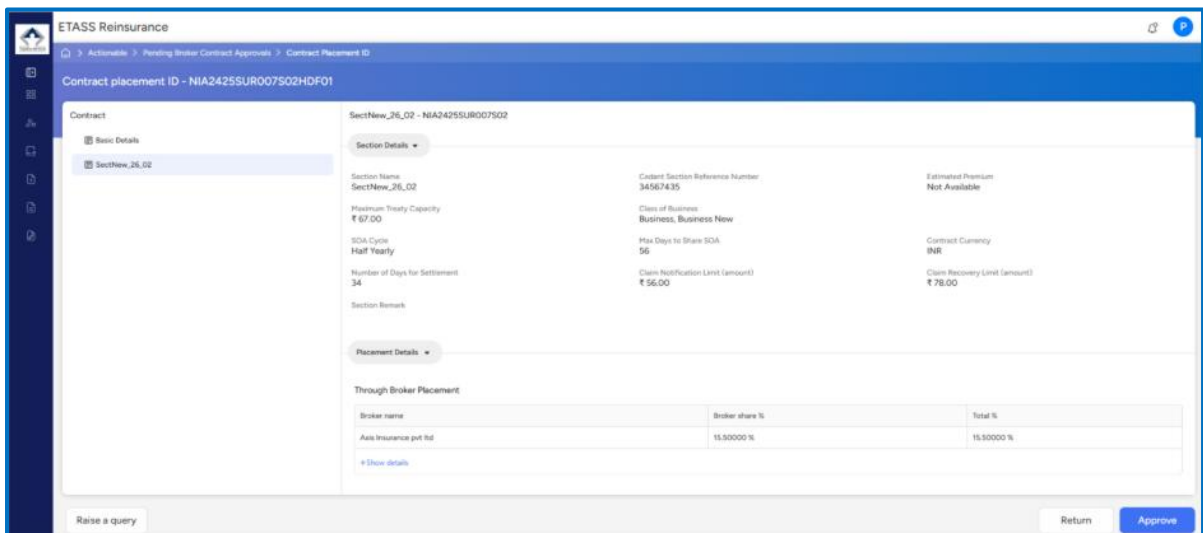

Step 1: Verify Basic Details

Users can view comprehensive contract information including Treaty Name, Treaty Number, Treaty Start Date, Treaty End Date, and other essential details.

Step 2: Verify Section & Placement Details

Navigate to the second tab to view section and placement information:

Section Details Include:

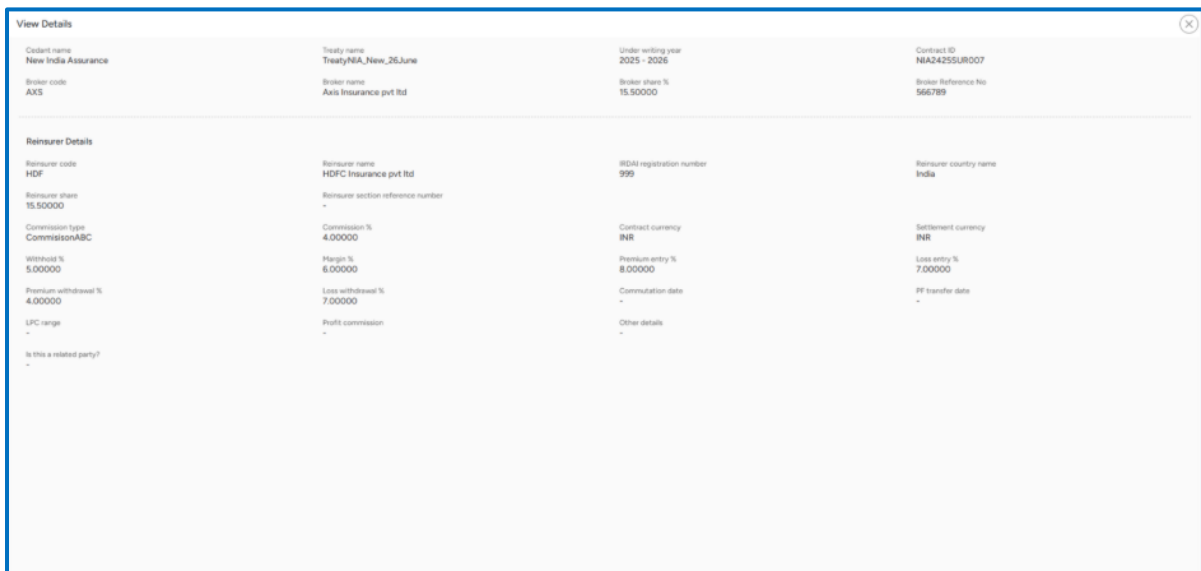

- Section Name
- Cedant Section Reference Number
- Estimated Premium
- Contract Currency

Placement Details Include:

- Through Broker Placement information
- Broker Details (Broker Name, Broker Share %, Total %)
- Reinsurer Details

Step 3: View Placement Details

Click the "Action" link to view detailed placement information including complete reinsurer details.

The screenshot shows a 'View Details' window with a close button in the top right corner. The window is divided into two main sections: 'Placement Details' and 'Reinsurer Details'.

Placement Details			
Cedant name New India Assurance	Treaty name TreatyNEA_New_26June	Under writing year 2025 - 2026	Contract ID NIA2425SUR007
Broker code AXS	Broker name Axis Insurance pvt ltd	Broker share % 15.50000	Broker Reference No 566789

Reinsurer Details			
Reinsurer code HDF	Reinsurer name HDFC Insurance pvt ltd	IRDAI registration number 999	Reinsurer country name India
Reinsurer share 15.50000	Reinsurer section reference number -		
Commission type CommissionABC	Commission % 4.00000	Contract currency INR	Settlement currency INR
Withhold % 5.00000	Margin % 6.00000	Premium entry % 8.00000	Loss entry % 7.00000

6.1.3. FAC (Facultative) Contracts

Basic Details

The screenshot shows the 'Basic details' section of a contract placement. The contract is a Proportional FAC with a policy start date of 30-07-2025 and an end date of 02-08-2025. The class of business is 'Business' with a sum insured of ₹ 23.00. The reinsurer is New India Assurance. The cover details table shows a single coverage of 23 with an amount of 23.00.

Coverage	Description of coverage	Amount
23		23.00

Placement Details

FAC contracts have a simplified structure with direct placement options:

The screenshot shows the 'Placement details' section, specifically 'Through broker placement'. It lists ICICI Lombard as the broker with a 50.00000% share. Below is a table of source and placement brokers.

Source broker name	Source broker share	Placement broker name	Placement broker share	Reinsurer name	Reinsurer share	Status	Actions
IKFO Insurance Company	23%	Axis Insurance (pvt) Ltd	12%	Max Health Insurance	25.00000%	Pending reinsurer confirmation	View Details

Note: All action buttons and query/return functionalities work the same as other contract types.

View Details
